## Driving Abstract Check

Potential Hey Taxi drivers must pass a driving record check. Hey Taxi uses your driver abstract to check driving records. (current within last 30 days)

Hey Taxi reviews the results of the abstract an applicant provides and disqualifies applicants who don't meet the standards of both Hey Taxi and local regulations. Applicants are ineligible to drive on the Hey Taxi platform if, among other things, any of the following are on your driving record:

Standards may vary based on the "vehicle for hire" act and specific municipal ByLaws.

Hey Taxi conducts driving record re-checks monthly. Hey Taxi also reserves the right to disqualify a driver at any time should their driving record reveal any of the above items or for any safety-related reason at Hey Taxi's discretion.
